

# Zoom AI-Powered Live Transcription

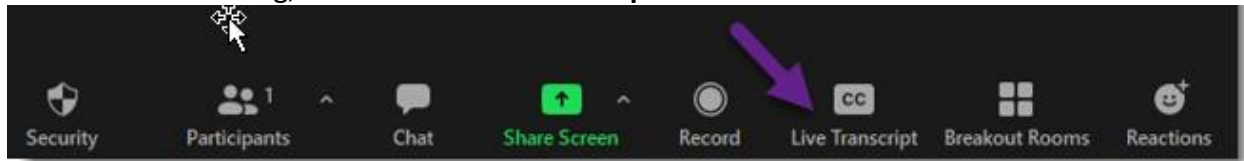

Zoom provides AI-powered live transcription for all UCCS accounts. This can be enabled by the host, and any participants can view the captioning as needed. Live transcription only supports English and it is recommended that you speak clearly for best results.

## How to Turn on Live Transcription

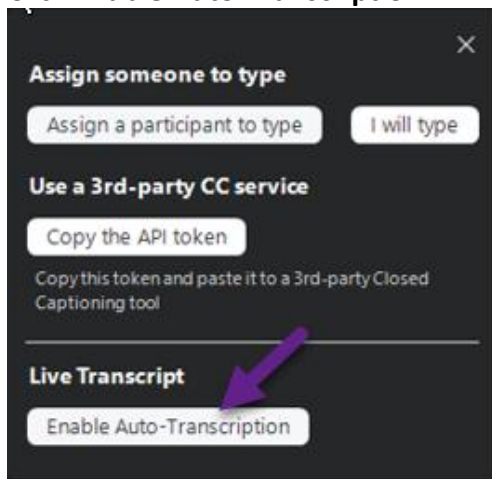

1. Sign into your Zoom account at <https://uccs-edu.zoom.us/>.
2. Click on **Settings**.
3. In the **Meeting** tab, click **In Meeting (Advanced)**.
4. Turn on **Closed captioning**, then check the box to Enable live transcription...

5. Start a Zoom meeting, and click on **Live Transcript** in the toolbar:

6. Click **Enable Auto-Transcription**:

7. Your transcript will appear at the bottom of the screen:
